

LearningExpress's ACT® Preparation Program With Instant Essay Scoring

The **LearningExpress online ACT® Preparation Program with Instant Essay Scoring** is designed to offer your school a cost-effective way to ensure that all of your students have the opportunity to learn about and prepare for all the subject tests that comprise the ACT.

In addition, to help students prepare for the optional ACT® Writing Test, LearningExpress offers state-of-the-art instant grading of their practice essay, giving students **immediate, accurate feedback on their writing**. This automatic essay-scoring solution is based on more than 40 years of research. Using advanced, proven statistical techniques, the program analyzes written prose, calculates measures that reflect the intrinsic characteristics of writing (fluency, diction, grammar, construction, etc.), and models the decisions of professional readers to produce accurate and reliable scores.

The **LearningExpress program includes two full practice tests and a highly interactive course series**. Students can work at their own pace anywhere they have Internet access. Every practice test is specifically designed to familiarize students with the official ACT content and format, and provides an authentic practice experience. Each course has been developed by experts to target learning of the all the essential content areas assessed on the ACT. Together, through the specific lessons in the courses and the focused preparation of the practice tests, students learn all they need to know to achieve a strong score on the ACT® exam and gain acceptance into the college of their choice.
