

SUMMER CHALLENGE: ANIMALS OF THE OCEAN

Activities
for parents and
caregivers engaging
kids in summer
learning.

- Working with a parent, sibling, grownup, or friend follow the directions on each square.
- After you complete the activity, share what you learned with a parent, sibling, grownup, or friend.
- Challenge yourself to complete the nine activities!

MEET MOKO THE HEROIC DOLPHIN FROM NEW ZEALAND

- » Listen to and read the true story of Moko the Dolphin.
- » What can you do to keep our oceans safe for animals like Moko?

FIND FACTS ABOUT WALRUSES

- » Read *Walrus: Tusk, Tusk*.
- » Learn about their remote arctic home and strong bonds with their herd.

CREATE ORIGAMI OCEAN ANIMALS

- » Transform a square piece of paper into a dolphin, fish, or shark!
- » What was most difficult about creating your origami ocean animal?

SING AND LEARN THE 10 RED BOTTLES SONG WITH RONNIE ROCK

- » Lots of animals make their homes in the ocean.
- » Keep the ocean clean by teaching a friend the song.
- » Learn how and sing along with Ronnie Rock.

LEARN FUN FACTS ABOUT FISH

- » Listen to and read the nonfiction book, *Fish*.
- » Draw a picture of your favorite fish from the book.

DISCOVER THE LIFE OF A JELLYFISH

- » Listen to and read the nonfiction book, *Jellyfish*.
- » How do jellyfish survive without a brain?
- » What do jellyfish eat?

GET CREATIVE AND DRAW A SHARK

- » Browse through the drawing book.
- » Pick your favorite shark to draw.

COMPLETE PUZZLES UNDER THE SEA

- » Listen to and read the nonfiction book, *Under the Sea*.
- » After reading, go to pages 29-30 and challenge yourself to the puzzles.
- » How many puzzles did you solve correctly?

SAVE THE ENDANGERED BLUE WHALE

- » Read the nonfiction book, *Saving the Endangered Blue Whale*.
- » What are some ways that we can help to save the blue whale?
