

CatExpress

- *Affordable and easy-to-use copy cataloging solution for Ohio schools.*
- *Provides school librarians access to the largest MARC record database in the world using WorldCat.*
- *Next Day delivery.*
- *Allows better use of library staff time.*
- *Hit rate of 98% for English language materials.*

CatExpress...

Who can Participate...

- *Public and private K-12 schools*
- *Libraries automated with any automation system*

Once you subscribe, all you need to use CatExpress is access to the world wide web and a current generation Web browser like Netscape Navigator 4.X or 6.1 or Microsoft Internet Explorer 5.X.

How CatExpress works...

- *Log into your OCLC CatExpress account*
- *Search and export records that match the item being cataloged*
- *If automated via a DASite (DRA/MultiLIS) - records appear in school catalog the following day*
- *If automated via a stand alone system - export records from the INFOhio web site the following day*

Cost of CatExpress service for Fiscal Year 2001-02...

- *\$100 per 100 records*
- *Records must be purchased in blocks of 100*
- *Blocks can be shared by all libraries within a district*

Visit <www.infohio.org/about/catexpress.header.htm> for more information including...
