Genius Hour Worksheet

Step 1: Visit IWonder
Visit iwonder.infohio.org and browse the question categories on the homepage. Answer the prompts below.

Today, I am wondering about the topic...

I will explore these areas from IWonder.

IWonder question (main)

IWonder question (subcategory)

I Wonder question (subcategory)

Step 2: Use IWonder
Click on the questions you chose above to learn more about your topic. Follow the directions in the right column.

Find three helpful websites on IWonder. Be sure to record the website title, URL, and the date you used the website.

Website #1
Title:

URL:

Date of Access:

Information I learned about my topic:

Website #2
Title:

URL:

Date of Access:

Information I learned about my topic:

Website #3
Title:

URL:

Date of Access:

Information I learned about my topic:

Step 3: Use Reference Resources

With guidance from your teacher or school librarian, select one of the reference resources from the subcategory, *Do you want to find information?.* Using the resource you selected, do a keyword search using the search bar.

Select three articles from your search results. Use the articles to find more information about your topic. Be sure to record the author, title, publication date, and information from the article.

Article #1
Author:

Title of the article:

Date Published:

Information I learned about my topic:

Article #2
Author:

Title of the article:

Date Published:

Information I learned about my topic:

Article #3
Author:

Title of the article:

Date Published:

Information I learned about my topic:

Step 4: Share What You Learned

Think of someone else who might be interested in what you learned. It can be one person or a whole group. Write their name below.

Name:

Now, write a question this this person or group might want answered about your topic.

Question:

INFOhio

Questions? Contact support@infohio.org.

3

Step 5: Organize Your Information

Organize your main ideas before you get started with the presentation tool you choose. Use the boxes to record your ideas. Then, number them in the best order.

Reflect:

What was easiest about your project? Explain.

What was hardest about your project? Explain.
