Make the most of your OhioNet membership through INFOhio!

All Ohio PreK-12 schools are eligible to access OhioNet member benefits through INFOhio's premium membership.

Equipment & Supply Savings

We keep member libraries running strong with member pricing and simplified ordering on popular library products needed for everyday operation.

Log in to your OhioNet user account to view our list of automatic discount codes from Demco, Kapco, Staples, and more!

eResource Previews & Group Licensing

With collaborative purchasing, OhioNet members have access to over 500 of the best resources and products at low negotiated prices.

Request trials and pricing anytime throughout the school year from content providers including EBSCO, Gale, Infobase, Oxford, Sage, and more!

Training & Professional Development

Keep your skills sharp with continuing education and professional development opportunities geared towards librarians and library staff.

Select from workshops and webinars covering a wide variety of topics and access OhioNet's Training Archive of past trainings and resources.

Creating an OhioNet user account is as easy as 1-2-3!

1. Select "Log In" at www.ohionet.org

2. To create a new account, choose "INFOhio" from the dropdown under "Need User Access?" or use the shortcut link next to the blue question mark icon.

3. After selecting "INFOhio" as your member library, fill out the remaining fields to create your OhioNet user account.

Note: If you have an existing OhioNet user account, sign in using your credentials.
