

The Perfect Postcard Thank You Message

Here are some sample postcard messages to help you develop your own message. Or choose a sample message below and personalize it with one of the following options.

1. Use the [Resource Cost Calculator](#), available on the [INFOhio Advocacy](#) page to share with your legislator the value of INFOhio digital resources to your school district.
2. Add the name of your favorite resource, include what you and your students like about it.
3. Promote student success by describing how INFOhio resources help your students develop a project or support classroom learning.

Sample Postcard Message #1

From School Librarians, Educators, or Administrators

Dear **[Representative or Senator] [Last Name]**:

On behalf of the PreK-12 students and educators at **[insert name of the school or school district]**, thank you for your continued funding of INFOhio. Thanks to your support, our students have access to **[insert name of favorite resource here]**. **[Explain how your students use this resource]**.

Thank you,

[Your Name]

[Your School Building or District]

Sample Postcard Message #2

From School Librarians, Educators, or Administrators
