Best Practices for Using eBooks in Every Classroom

Primary

- ✓ Use Educator Tools to find the right title for students and the lesson.
- ✓ Display the eBook for students and model how to use the eBook features.
- ✓ Share the eBook with caregivers so students can read the book at home.
- ✓ Pair the title with other media including print books and videos.

Middle School

- ✓ Use Educator Tools to find the right title for students and the lesson.
- ✓ Teach metacognition and perseverance strategies to keep students on task.
- ✓ Create lessons that allow students to connect about the titles.
- ✓ Ask students to question and reflect when reading.

High School

- ✓ Use Educator Tools to find the right title for students and the lesson.
- ✓ Encourage students to use the eBooks tools for maximum comprehension.
- ✓ Ask students to question and reflect when reading.
- ✓ Pair the title with other media including print books and videos.
